

Global agendas. Local voices, local actions.

4TH WORLD FORUM OF LOCAL ECONOMIC DEVELOPMENT

PRAIA, CABO VERDE - 17-20 OCTOBER 2017

Local Economic Development as a comprehensive framework
to localize the Sustainable Development Goals:
Addressing rising inequalities

International
Labour
Organization

Empowered lives.
Resilient nations.

The **World Forum of Local Economic Development** is an open working process that promotes a global dialogue on Local Economic Development (LED), continues strengthening a global alliance among engaged stakeholders, promotes concrete cooperation at country and local level and stimulates policies towards the implementation of the Sustainable Development Goals (SDGs) locally.

On the road to Praia...

The **4th World Forum** will be held in Praia, Cabo Verde, gathering national, regional, local government officials, practitioners and other stakeholders from all over the world. In preparation, a Regional Forum of Local Economic Development for Latin America and the Caribbean will be celebrated from 28th to 31st of March in Cochabamba, Bolivia.

SAVE THE DATE
17-20 October 2017
Praia, Cabo Verde

LED as a comprehensive framework to localize the SDGs: Addressing rising inequalities

The 4th edition of the event will deep the analysis, discussion and share of experiences on the relevance of LED as a vehicle for the SDGs localization, and specifically towards more sustainable, inclusive and equal societies.
