The doors are closed but the library is open!

Alternative physical provision (where safe), but a major pivot to digital resources and services, through online access, storytimes, eLending, consultations, education
Public and Community Libraries in the COVID-19 Pandemic

Three challenges and/or solutions related to culture in the COVID-19 emergency

- Ensuring services and resources can be offered outside of the library
- Ensuring we reach our most vulnerable users
- Ensuring we’re ready for the expected jump in need
1) Open safely, focus on the vulnerable
2) Ensure we’re ready to meet the demand
3) Use cultural spaces to rebuild communities
4) Integrate this potential into our planning
5) Return to better!
THANK YOU!
