

INTERACTIVE PANEL INTERMEDIARY CITIES AS A KEY PLAYER IN SOUTH-SOUTH COOPERATION FOR LED

19 OCTOBER 2017 · 16:15-18:00

ROOM: F

The session will focus on how I-Cities can be a **true potential for developing a different kind of South South cooperation** towards more equity between cities as well as more equity in a sustainability LED.

Different levels and frames of governance to reflect together about the role I-Cities could undertake for **a sustainable cooperation** in LED.
