Guangzhou, a famous cultural city with a history of more than 2200 years, has been a 'business center for a thousand years' and is at the forefront of urban innovation in China. On December 5-8, Guangzhou will host the 2016 Guangzhou International Urban Innovation Conference & Guangzhou International Innovation Festival.

Here, the world will witness how cities are sharing their innovative ideas to create a better future. The Conference will include an opening ceremony, Guangzhou International Urban Innovation Seminars, thematic forums, Cultural Night & Guangzhou Award Ceremony, Exhibition for Start Ups, MNCs, Corporates & Urban Innovation and other activities. Officials from local governments around the world, representatives from international organizations, cities participating in the Guangzhou Award, entrepreneurs and scholars will be invited to discuss and exchange views on urban, scientific and technological innovation, application of innovative ideas, urban development and other related issues.

We warmly welcome you to Guangzhou and participate in the Conference and the Festival. Let's work together to become the drivers and witnesses of urban innovation!
