#BeyondTheOutbreak
DEPARTMENT OF FOOD AND SOCIAL NUTRITION OF KAZAN

Director General
Rima Mukhamedshina
“HEALTHY FOOD FOR CHILDREN”

Since 2006, in Kazan, the ‘Healthy Food for Children’ program has been implemented.

In 2019, a municipal project ‘Reforming the System of School Nutrition’ became the winner of the prestigious international prizes:

- Milan Pact Awards (Italy) in the Sustainable and Healthy Nutrition category
- Tehran Golden Adobe Global Award (Tehran) in the Local Governance, Planning and Management category
- Participation in the International Consultative Meeting of the Food and Agriculture Organization of the United Nations (FAO UN) in Rome
FOOD DEPARTMENT TODAY

The Food Department includes:

- a food production facility (9,000 sq.m.) and 2 school feeding units in city districts
- 70,000 portions of ready-to-eat meals daily
- warehouse facilities (4,000 sq.m.) with a two-week raw stock
- own laboratory (over 16,000 analyses monthly)
- a vehicle fleet (more than 50 automobiles)
- the number of staff - 1 200 people
QUARANTINE IN THE FOOD DEPARTMENT

- A briefing on the prevention of the spread of the coronavirus infection has been conducted
  - Transition to teleworking at those sites where it is possible
- The following preventive measures have been introduced in the enterprise:
  - Twice-a-day temperature measuring
  - Gloves and mask policy
  - Additional treatment of working surfaces
NUTRITION IN HEALTH INSTITUTIONS

Patients and medical staff of major Kazan hospitals continue receiving hot meals every day in compliance with all safety standards:

- Additional sanitary treatment of premises
- Personal protective equipment for staffers
- Individual disposable packaging of every dish for every patient
NUTRITION AT CHECKPOINTS

150 staffers at checkpoints of the Ministry of Internal Affairs

Lunches – in special thermos, served in disposable tableware
SCHOOL NUTRITION. PROVISION OF FOOD PACKS

- Three stages of food packs provision
- 73,500 food packs have been provided to pupils of secondary general education institutions entitled to benefits
- Food packs include grits,
- Meat and dairy products, confectionery and drinks
- A total of 550 tons of products have been provided
- 98 per cent of parents have highly commended on the composition and quality of products and expressed their gratitude for the support provided
THANK YOU FOR YOUR ATTENTION!
