

PLENARY III

BUILDING SUSTAINABLE CITIES

20 OCTOBER 2017 · 11:00-13:00

ROOM: A

The plenary session will discuss **innovative multistakeholder partnerships** currently in place among a range of actors, with the aim of making investments happen at local level in order **to deliver more inclusive, sustainable and resilient territories.**

We will share **responses to the global challenges of poverty, decent work deficits and climate change** that aim to ensure **basic services for all**, and support an **alternative economic model based on social and solidarity economy** as well as local economic development.
