#BeyondTheOutbreak
COVID-19 PANDEMIC PRESENTS A GREAT RISK TO PEOPLE WITH DISABILITY

'This Is Really Life or Death.' For People With Disabilities, Coronavirus Is Making It Harder Than Ever to Receive Care”
- TIME

“Coronavirus has made it even easier to forget about disabled people”
- The Guardian

As risk group, with greater vulnerability in matters of health and reabilitation

Violation and loss of human and social rights, aquired in years of struggle
COVID-19

Actions SMPED

Principles of the Global Pact of Sustainable and Accessible Cities:
01 – Non Discrimination;
02 - Accessibility
03 - Participation
04 – Inclusive Urban Policies and Programs
05 – Capacity Building
06 – Data for Development

Service channel about COVID-19 for hearing impaired people.

Monitoring institutions of people with disabilities for food and hygiene donation

Cross-checking of data to identify people with disabilities in vulnerable situations for receiving donations.

Provision of communication accessibility resources for events, meetings and newsletters

20 projects, 30 thousand of reais (Brazilian currency) to entities of people with disability.

Emergency Reception Center for people with disabilities that are living on the street.
HOWEVER, THIS CRISIS ALSO POTENTIALLY PROVIDES OPPORTUNITIES TO PROTAGONISM AND INCLUSION.

Companies accelerate investments in DIGITAL TRANSFORMATION, creating a new virtual world that favors people with disabilities

in having to face urban, architectural and transportation barriers...

With appropriate technologies to optimize your skills and abilities.

With the possibility of the home office, which enhances the effective participation of people with disabilities...

Teleworking equalizes skills, diminishes the barriers of presential prejudice and opens equal opportunities for all.
THANK YOU
